Copperbelt Province – Chingola – Old Trickling Filter at Ponds Site

The Project:

The Mulonga Water and Sewerage Company (MWSC) provides water and sanitation services in parts of the Copperbelt Province.

The procurement Advisor was entrusted with the preparation of a tender for consulting and technical assistance services preparing the rehabilitation and the expansion of water and wastewater services provided by the MWSC.

Tasks performed:

The Procurement Advisor carried out the following activities:

1. Development of the ToR for the procurement of a Project Implementation Consultant (PIC)
2. Service contract award to a competent and qualified PIC
3. Development of PIC and MWSC incentive schemes
4. Monitoring plan for the first two years of the PIC contract

The Procurement Advisor defined the tasks for the future PIC to assist the MWSC with

- a) the implementation of a substantial investment programme (up to 150 million €) within its entire service area and with
- b) the improvement of the overall performance of the company
- c) the financial, administration and technical structuring of WMSC
